

## **U.S. SYNCHRONIZED SWIMMING**

### **MEMBERSHIP TYPES:**

1. **Competitive Athlete \$65-** Athletes who compete in a year round program and/or Championship Events.
  - This applies to members whose previous membership was Master, Regular, or Collegiate athletes (that compete in U.S. Collegiate Nationals).
2. **Introductory Athlete \$45-** Athletes who compete in recreational programs and/or do not compete in Championship Events.
  - This applies to members whose previous membership was Recreational, Seasonal, or Collegiate athletes (that **do not** compete in U.S. Collegiate Nationals).
3. **Professional \$75-** Coaches, Instructors, Administrators, Officials Level 3 and above, Club Representatives, LSSC Officers, Zone Officers, and members of the Board of Governors.
  - This membership is replacing the Technical Membership. Professional membership includes a complimentary Athlete Membership (either Competitive or Introductory).
4. **Introductory Official \$30-** Officials Levels 1 & 2.
  - Previous member type was Association Official.
5. **Booster \$30-** Volunteers, Parents, non-competing alumni, and others who wish to support Synchronized Swimming and its programs.
6. **Life Member Age 59 & younger \$1,500-** Individuals 59 years of age and younger who contribute \$1,500 to USA Synchro. The membership fee may be paid over a 4-year period. Life Membership shall include a complimentary registration in one other category of membership.
7. **Life Member Age 60 and older - \$1000.00-** Individuals 60 years of age or older who contribute \$1,000 to USA Synchro. The membership fee may be paid over a 4-year period. Life Membership shall include a complimentary registration in one other category of membership.
8. **President's Club \$1,000/year for 10 years-** President's Club membership is intended for those who desire to make a significant financial contribution to USA Synchro, particularly to further the development of programs and projects that might not otherwise be funded. One-half of the annual dues are set aside for use on special projects at the President's discretion. President's Club dues are tax-deductible to the extent that goods are not received in return, and USA Synchro sends a statement to each member annually stating the amount that is deductible. PC members receive unique benefits (for more information contact the President or Executive Director). Minimum commitment is 5 years, and 10-year members receive PC benefits for life. Life Members who desire to convert to President's Club membership receive credit for their Life Member dues against the tenth year of PC dues.
9. **Clubs \$40-** Must register at least 2 athletes. Memberships include the official synchro assistant meet management/scoring software.
